LAWS OF NEW YORK, 2020

CHAPTER 114

AN ACT to amend the public health law, in relation to requiring residential health care facilities to prepare an annual pandemic emergency plan

Became a law June 17, 2020, with the approval of the Governor.

Passed by a majority vote, three-fifths being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2803 of the public health law is amended by adding a new subdivision 12 to read as follows:

12. (a) Each residential health care facility shall, no later than ninety days after the effective date of this subdivision and annually thereafter, or more frequently as may be directed by the commissioner, prepare and make available to the public on the facility's website, and immediately upon request, in a form acceptable to the commissioner, a pandemic emergency plan which shall include but not be limited to:

(i) a communication plan:

(A) to update authorized family members and guardians of infected residents at least once per day and upon a change in a resident's condition and at least once a week to update all residents and authorized families and guardians on the number of infections and deaths at the facility, by electronic or such other means as may be selected by each authorized family member or guardian; and

(B) that includes a method to provide all residents with daily access, at no cost, to remote videoconference or equivalent communication methods with family members and guardians; and

(ii) protection plans against infection for staff, residents and families, including:

(A) a plan for hospitalized residents to be readmitted to such residential health care facility after treatment, in accordance with all applicable laws and regulations; and

(B) a plan for such residential health care facility to maintain or contract to have at least a two-month supply of personal protective equipment; and

(iii) a plan for preserving a resident's place in a residential health care facility if such resident is hospitalized, in accordance with all applicable laws and regulations.

(b) The residential health care facility shall prepare and comply with the pandemic emergency plan. Failure to do so shall be a violation of this subdivision and may be subject to civil penalties pursuant to section twelve and twelve-b of this chapter. The commissioner shall review each residential health care facility for compliance with its plan and the applicable regulations in accordance with paragraphs (a) and (b) of subdivision one of this section.

(c) Within thirty days after the residential health care facility's receipt of written notice of noncompliance such residential health care facility shall submit a plan of correction in such form and manner as specified by the commissioner for achieving compliance with its plan and with the applicable regulations. The commissioner shall ensure each such residential health care facility complies with its plan of correction and the applicable regulations.

(d) The commissioner shall promulgate any rules and regulations necessary to implement the provisions of this subdivision.

Section 2. This act shall take effect immediately.
